Rev. Oderic Derenthal

Keshena, Wis.

Rev. dear Sir,

In order to secure payment of the expenses incurred the transportation of the Menomonee Indian boys taken by you to St. Joseph's Normal School, Rensselaer, Ind., it is necessary to have a Descriptive Statement of the boys. It should be in duplicate—be exact as to the boys' ages, and be signed by Agent Jennings.

Please attend to this matter at once, and send the statement to the Very Rev. Geo. L. Willard, Rensselaer, Ind., who will have necessary physical examination and certificate made by the Physician of the School.

Very respectfully,

J. A. Stephan

Director
